Our apartment #1528

Take the lift to 15th floor – our apartment is the first on the left along the long corridor leading towards the ocean and is only a few yards from the lifts.

Door entry and locking

You will be allocated a unique entry code before you arrive. You must enter this 4 digit number on the keypad and then turn the lock to release the deadbolt. The door can then be pushed open. Don't forget to re-lock the door once inside the apartment.

When you leave the room you *must reset the lock* from the outside. Press the <schlage> button on the lock then turn the lock to set the deadbolt.

Laundry

A washing machine and drier is situated at the end of the floor near the lifts and costs \$2 per load to wash and \$2 per load to dry.

Air conditioning

Located by the TV, the temperature and fan can be adjusted by controls on the unit.

In case of overloading the fuse may occasionally trip. To reset – flick 15 amp switch, located in the fuse box on the wall above the stove

Gym – second floor

The keycard which is on the information folder when you arrived allows access to the gym on the 2nd floor and must be used for access. This is free for guests use.

Tennis Court

This can be accessed from the second floor and is free for guests use.

Ice Maker – Fourth floor

This is free for guests use and is located in the laundry area on the 4th floor.

Cable TV (Time Warner Oceanic)

This is available and the channel guide is located on channel 12. The channel selection can be made using the TV remote or the buttons on top RHS of the TV.

In case of remote malfunction the remote code for our Sharp LCD TV is 14.

Onkyo/Bose Stereo system

Use the stereo remote or the buttons on the Onkyo unit to control the stereo. This unit plays music and mp3 CDs as well as having AM and FM radio. There are two mp3 music CDs with music for your enjoyment. Note that an *ipod* can be attached to the headphone jack (included) and operates through the <tape> function on this stereo.

Wireless Internet (Roadrunner – cable internet)

This wireless signal is encrypted for your safety. The wireless details are:

network name to connect to (SSID) is **Max**

password is **Ilikai1528**

Note the capital “M” in Max and capital “I” in Ilikai1528

This is free for your own use.

If you do not have a wireless computer you can connect using a network cable by inserting one end into your laptop and the other end to one of the D-Link router connections (blue)

Rubbish disposal

There is a trash and recycling station situated past the elevators to the left just along the corridor.

Bather’s elevators

This is an additional elevator for bathers and is situated past the elevators to the right.

Bus stop

The bus stop is a few yards past the Ilikai entrance – for buses towards Waikiki and immediately opposite for buses to Ala Moana numbers 8,19,20,42). There is a bus transfer station at Ala Moana that has buses available to most parts of the Island.

Fares are \$2 per adult or you can get 4 day passes from ABC stores or monthly passes from Foodland or Satellite City Hall.

Don’t forget to ask for a transfer from the driver which enables you to re use the bus within a few hours for free.

ABC Store

There is an ABC convenience store across the road from Ilikai entrance which sells newspapers, food, liquor, groceries and other things you may require.

Pool

Available for guests use – you need to check in with the pool attendant first.

Lounger chair (for use on lanai)

These are stowed under the bed.

Smoking

This is a non smoking apartment but smoking is allowed on the lanai.

Parking

Hotel parking is expensive at \$25 per day. Metered parking on the street at the rear of the Ilikai at 40c per hour (4 hour maximum) is available. A portion of the large parking area near the lagoon is available free from 4am until 11pm and the balance of the area is available as metered parking at 25 cents per hour. (up to 24 hours)

Ilikai Owners Association (located on 2nd floor)

All owners and guests must observe the Association's rules. This is for the benefit of all owners and guests so they can enjoy their stay. Note that the Association has the power to levy fines for non observance of the rules.
